

LET US HELP YOU SAVE ENERGY AND MONEY

Long Beach Utilities offers a variety of rebates on natural gas products to help you save money and make your home more energy efficient.

This application contains details on qualifying products, rebate amounts, and how to apply.

HOW TO APPLY

1. Read the terms and conditions included in this application package.
2. Qualifying product(s) must be purchased and installed between January 1, 2026 and December 31, 2026 to be eligible for a rebate. You may self-install or hire a licensed contractor for the installation of qualifying energy-efficient products(s). Please refer to the specification sheet product form for qualifying product requirements. Qualifying product(s) must be installed prior to submitting a rebate application and must be new. New construction homes do not qualify.
3. Mail a complete application that includes all of the following items:
 - a. **Completed form.** Please complete sections 1-5, starting on page 3.
 - b. **Paid receipt(s) or proof of purchase.** See proof of purchase requirements on page 2.
 - c. **A copy of a recent City of Long Beach Utility Bill.** When an owner has purchased and installed qualifying product(s) in a rental, proof of property ownership from owner and a copy of a recent LB utility bill from the tenant are required. Name and address shown on proof of property ownership must match name and install address listed on the application form.
 - d. **A copy of proof of any required permits, if applicable.** Permits, with proof of completed final inspection, are required for most qualifying product installations. Please contact the City of Long Beach Community Development Department at (562) 570-7648, or visit their online Permit center at www.longbeach.gov/lbcd for more information.

Mail or email the completed application packet to:

Long Beach Utilities
Attn: Home Energy-Efficiency Rebate Program
1800 E. Wardlow Rd., Long Beach, CA 90807
EERP@longbeach.gov

Applications must be postmarked by December 31, 2026 to be eligible for a rebate. ALL applications are processed on a first-come, first-served basis, upon receipt, until funds are depleted. INCOMPLETE or INCORRECT APPLICATIONS CANNOT BE PROCESSED. Resubmitted applications are processed on a first-come, first-served basis upon the new receipt date.

1. Keep a copy of all mailed forms and required documents (including receipts and home improvement contracts) for your records.
2. Be prepared to participate in any required verification of installation(s). Long Beach Utilities may verify the energy-efficient product(s), any required permit closure, customer eligibility and installation prior to payment of rebate.
3. If all program requirements are met, a rebate check is generally mailed within 10-12 weeks, unless your application is selected for verification, which may take additional time.

PROOF OF PURCHASE REQUIREMENTS

Proof of Purchase must include the following information:

1. Retailer or contractor name, business address and phone.
2. Itemized description of each product, including such information as:
 - a. Manufacturer, product make and model number(s), and other identifying information.
 - b. Uniform Energy Factor (UEF) for natural gas water heaters.
 - c. Equipment-only cost.
3. Invoice which includes purchase price per product, and notes "Paid in Full" or lists payment terms if applicable.
4. Product installation date, unless self-installed.
5. Cash on delivery (C.O.D.) will be accepted as proof of purchase, provided C.O.D. invoice is accompanied by a delivery receipt or an install date is noted on the invoice.

Altered receipts will not be accepted.

A product specification sheet is included in this application (page 5) to ensure your installed product meets the qualification requirements of the program.

TERMS AND CONDITIONS

1. To be eligible for a rebate, I understand that: (a) I must be a residential customer on a residential rate with an active meter serviced by Long Beach Utilities for the installation address and, (b) the product(s) I have installed must qualify as described on the specification sheet incorporated herein by this reference and be designed to reduce my consumption of the energy distributed to me by Long Beach Utilities at the installation address. I understand I must complete a separate application for each installation address for which I am requesting a rebate. All uses herein of the words "install", "installation" or similar phrases shall mean complete installation such that the subject products are fully functional.

2. I understand the rebate offer is limited to residential customers for residential use. The energy-efficient product(s) must be installed in a residential dwelling within Long Beach Utilities' service area. The dwelling unit must be fully constructed and occupied. New construction homes do not qualify.

3. I understand the program term is January 1, 2026 through December 31, 2026 and may end sooner if allocated funds are depleted. Product purchases and installations made prior to January 1, 2026 or after December 31, 2026 do not qualify for a rebate. Resale products, products leased, rebuilt, rented, refurbished, purchased at auction, received from warranty or insurance claims, won as a prize, received as a gift, purchased with rewards points, new parts installed in existing products do not qualify. Funds are limited. ALL applications are processed on a first-come, first-served basis, upon receipt, until funds are depleted. INCOMPLETE or INCORRECT APPLICATIONS CANNOT BE PROCESSED. Resubmitted applications are processed on a first-come, first-served basis up on the new receipt date. The program may be modified or terminated without prior notice. In the event rebate amounts change during the program period, the order/purchase data and/or application postmark date will be used to determine product eligibility and rebate amount.

4. I understand that a signed and dated rebate application form, completed product form, all appropriate proof(s) of purchase, and other required documentation as referenced in this application package must be sent to Long Beach Utilities postmarked by December 31, 2026 to be considered eligible for payment of a rebate. A rebate check for qualifying product(s) is generally mailed ten to twelve weeks after Long Beach Utilities receives and approves a completed application, including all required documentation, unless an application is selected for a verification, which may add additional time.

5. I will allow, if requested, a City of Long Beach representative reasonable access to my home to verify the installed product I have purchased before a rebate is paid. I understand that a rebate will not be paid if I refuse to participate in any required verification. I understand that Long Beach Utilities may contact the qualifying product vendor and/or installer, if needed, to verify purchase and/or installation and may provide my name and/or address to complete this verification.

6. I have installed qualifying product(s) and understand the energy-efficiency level of the qualifying product(s) (as defined in the specification

sheet) determines the rebate amount. The rebate amount cannot exceed the purchase price. I understand that I cannot receive a rebate for the same product or equipment from more than one California investor-owned utility or third-party energy efficiency program offering rebates, financing or other incentives including funding with CPUC Public Purpose Surcharge funds.

7. I agree that the selection of qualifying product(s), selection of manufacturer, dealer, supplier and/or installer, and purchase, installation and ownership/ maintenance of the qualifying product(s) referenced in this application package are my sole responsibility, and that my manufacturer, dealer, supplier or installer of these products and measures is not an agent or representative of Long Beach Utilities. I understand that Long Beach Utilities makes no representations regarding manufacturers, dealers, contractors, materials or workmanship. I ALSO UNDERSTAND THAT LONG BEACH UTILITIES MAKES NO WARRANTY, WHETHER EXPRESSED OR IMPLIED, INCLUDING WITHOUT LIMITATION THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR ANY PARTICULAR PURPOSE, USE, OR APPLICATION OF THE PRODUCTS OR MEASURES. I agree that Long Beach Utilities has no liability whatsoever concerning (1) the quality, safety and/or installation of the products or measures, including their fitness for any purpose,(2) the estimated energy savings of the products or measures, (3) the workmanship of any third parties, (4) the installation of use of the products or measures including, but not limited to, effects on indoor pollutants, or (5) any other matter with respect to the Home Energy Efficiency Rebate Program. I waive any and all claims against City of Long Beach, affiliate companies, directors, officers, employees, or agents, arising out of activities conducted by or on behalf of City of Long Beach in connection with my application for any rebate(s) under the Home Energy Efficiency Rebate Program. Without limiting the generality of the foregoing, none of such parties shall be liable hereunder for any type of damages, whether direct, indirect, incidental, consequential, exemplary, reliance, punitive, or special damages, including damages for loss of use, regardless of the form of action, whether in contract, indemnity, warranty, strict liability or tort, including negligence of any kind.

8. I am responsible for meeting all program requirements and complying with my state/county/ city governments, property owner and/or homeowner's association requirements (if any) in my area regarding local conditions, restrictions, codes, ordinances, rules and regulations covering this installation. Most qualifying products will require a permit, and proof of completed final inspection. Please contact the Development Services Department Permit Center at (562) 570-7648 to confirm if your product will require a permit.

9. If a tenant, I am responsible for obtaining the property owner's permission to install the measure for which I am applying for a rebate. My signature on this application indicates I have obtained this permission.

10. I understand that Long Beach Utilities is not responsible for items lost or destroyed in the mail/transit.
