

## Potable Water Service Request Form

I am requesting the Long Beach Utilities Department the following:

- Install potable water service connection(s), set meter(s) and meter box(es), and begin billing.
- Fireline service connection(s) to be installed by private contractor. LBUD to provide plan check, inspection, etc.; and begin billing.
- Set meter(s) only.
- Comments: \_\_\_\_\_

**NOTE:**

1. *Backflow prevention device may be required depending on the existing or potential degree of hazard which exists on the facility. Please refer to LBUD Rules and Regulations for more information.*
2. *Refer to Water Metering Requirements handout from LBUD.*
